

Nr	Indicator
1	Estimated Mid-Year Population by Age Group, Sex and Domain
2	Population by Age and Sex during Census years
3	Sex Ratio of the population by agegroup
4	Selected Demographic Ratio's
5	Live Births by Sex and Sex Ratio
6	Percent Distribution of Women delivering their First Live Birth with Mean and Median Age
7	Percent Distribution of Women who gave birth, with Mean and Median Age
8	Age Specific Fertility Rate, General Fertility Rate, Total Fertility Rate and Gross Reproduction Rate
9	Women aged 45-49 years by selected Ethnic Group and number of Children Ever Borne
10	Percentage of women 45-49 year by Parity and Ethnic Group
11	Parity Progression Ratio for Women,45-49 years, by Ethnic Group
12	Age Specific Fertility Rates per Birth Order
13	Median Age of the Mother at Birth of second up to seventh or higher order of Birth
14	Age Specific Death Rates by Sex and their Sex Ratio
15	Mean and Median Age at Death by Sex
16	Infant mortality, Child mortality and Maternal mortality
17	Mean Probabilities of Dying and Life Expectancy for Males and Females at exact Age x
18	Age Specific Death Rates for Selected Age Groups for "Cardiovascular Diseases" for selected Age Groups by Sex
19	Percentage Males and Females at Marriage by Age Group
20	Age Specific Marriage Rates of Married persons in the Childbearing age group, 15-49 years, by Age Group and Sex
21	Percentage of Divorced persons by Selected Age Group and Sex
22	Age Specific Divorce Rate in Childbearing Age group, 15-49 year, by Age Group and sex, Mean and Median Age at Divorce
23	Percentage of Immigrants by Age Group, Sex and their Mean Age
24	Net migration by agegroup
25	Immigration, emigration, net migration, gross migration and selected ratio's for Suriname
26	Internal Migration of the Collective Urban Districts and the Collective Rural Districts and the Migration Effectiveness index
27	Internal Migration of the Urban districts of Paramaribo and Wanica and the Migration Effectivenessindex
28	Internal Migration of the Rural districts of Para and Commewijne and the Migration Effectiveness index
29	Urban, Rural and Interior Migration flows
30	Mutual Migration flows of Urban, Rural-Coastal and Rural-Interior Districts
