

# Announcement regarding CPI

---

Paramaribo, 26 June 2020

The General Bureau of Statistics (ABS/GBS) announces that its monthly edition on **CONSUMER PRICE INDEX FIGURES AND INFLATION** (in the present case for the month of **May**) will not be published on the planned date of Monday 29 June but **FRIDAY 10 JULY AT THE LATEST**. This due to the tightened COVID 19 measures in Suriname, during 8-19 June 2020, which have led to serious stagnation of activities.

We ask you to await further communication from the ABS/GBS in this regard. You will be able to learn these messages: via the ABS website: [www.statistics-suriname.org](http://www.statistics-suriname.org) or via the Facebook page of the General Bureau of Statistics.

We apologize for any inconvenience and thank you in advance for your understanding!

**General Bureau of Statistics**  
**Public Relations & Information Division**
