

Announcement

Paramaribo, 30 July 2020

The General Bureau of Statistics (ABS) announces that its monthly publication **CONSUMER PRICE INDEX FIGURES AND INFLATION** (in the present case for the month of **JUNE**) will NOT be published on today's scheduled date of Thursday 30 July 2020, but on **Monday 3 August 2020**.

This is due to work delays that incurred after the ABS head office had to close in the period of July 23-28 for thorough disinfection because an ABS employee was tested positive for COVID-19. The building has since been disinfected and cleaned and work resumed yesterday.

We ask you to await further communication from the ABS/GBS in this regard. You will be able to learn these messages: via the ABS website: www.statistics-suriname.org or via the Facebook page of the General Bureau of Statistics.

We apologize for any inconvenience and thank you in advance for your understanding!
